The Ultimate Efficiency Lettuce

The industry standard in salad mix for its high leaf count of baby-size leaves in interesting shapes and colors. All varieties tend to hold their great flavor without going bitter better than typical head lettuce, which allows for a longer harvest window. All Salanova seed is MT0-30 (tested for the presence of Lettuce Mosaic Virus) and seeds are pelleted with NOP-compliant material, for sowing ease. Plant Variety Protected. All Salanova® varieties are suitable for hydroponic growing.
