

NEW FOR 2024

ORGANIC

ALL
NEW!

Harvest Moon Tomato | #4499G

Firm, consistently sized (7–10 oz.), golden fruits with beautiful red blush internal color. Fewer defects than the heirlooms it imitates. Bred by Emily Rose Haga at Johnny's.

Glow Stix Moonrise Mix Carrot | #4941

EXCLUSIVE! Bold colors. A thoughtfully blended mix for the fall harvest slot.

ORGANIC

Lihi Prospera® Active DMR

Basil | #5468G **EXCLUSIVE!**
Highly resistant to downy mildew.

StoX® Antique Rose Stock | #4905

Sturdy, upright stems. High-quality performance. Light, dusty-rosy color.

Tiltther XT | #6320 **EXCLUSIVE!**

The best tool for professional bed preparation just got better.

Gershwin Cucumber | #5133

Parthenocarpic field pickler. Extra-early, high-yielding, and uniform.

ORGANIC

Chalupa Lettuce | #4791G/4791GP

EXCLUSIVE! Compact romaine with improved summer performance.

Whitaker Cauliflower | #6038

First white hybrid romanesco! Large, sturdy plant for summer and fall harvest.

Green River Asian Green | #5542
Upright, refined komatsuna. Slow-bolting plant with long, narrow petioles.

Strawberry Fields Tomato | #4501G
Improved late blight-resistant pink slicer. Bred by Emily Rose Haga at Johnny's.

Thanos Eggplant | #5131
Prolific, spineless Black Bell type for easy harvesting. High early yields.

Donato Radish | #4910
Our first downy mildew-resistant radish. Holds shape and quality in warm weather.

Chantilly™ Light Salmon
Snapdragon | #4926
Early, open-faced flowers. Group 1–2.

Atruy Pepper | #5025
BLS 1–10 and TSWV resistance. Performs very well in the Southeast.

Costa Velvet I-II Snapdragon | #4928
Robust stems, high-quality blooms, uniform growth. Group 1–2 type.

Butterfingers Summer Squash | #4306G
EXCLUSIVE! Spineless plants with high yields of uniform, attractive fruits.

Solar Shrink Mulch/Weed Barrier | 4 sizes
This mulch shrinks to the bed surface in sunlight and uses 40% less plastic.

Caravel Carrot | #5164G/#5164GP
Bulky, early Nantes type. Semi to fully blunted roots are quick to bulk up.

StoX® Champagne Stock | #4904
Completely unique, soft peachy-pink color—a standout in our trials.

Sunland Lettuce | #4788/4788JP
Heat-tolerant romaine for heads and hearts. Selected for summer performance.
